**Re: *Kent v. PoolTogether, Inc., et al.*, Case No. 21-CV-6025-FB-CLP**

Dear Charlie:

On behalf of Defendant Compound Labs, Inc. (“Compound Labs”), please find enclosed Compound Labs’ Notice of Motion and accompanying memorandum of law to dismiss the Second Amended Complaint (the “Complaint”), or, in the alternative, to strike the Complaint’s class allegations.

Pursuant to Section 2.D of the Court’s Individual Motion Practices and Rules, I am only e-filing this cover letter at this time. I will e-file all motion papers once the motion is fully briefed.

Respectfully submitted,

/s/ Jason P. Gottlieb
